Become a Sponsor

ISBRA affiliate societies are invited to sponsor specific symposia, part of the official scientific program.

Please send all proposals both to:

- the local organizer, Princeps Editions,
Dr Gisèle Gilkes-Dumas / princeps.gdumas@orange.fr
- and the ISBRA office, Michelyn Lintz / isbra@isbra.com.

Industry partnership will be welcome and should be arranged **before the end of 2009**.

Satellite meetings can be organized outside of the official scientific program, at the sponsors' expense, for Major Sponsors only.

Exhibit spaces will be reserved for the first sponsors who will ask for them. Promotional material may also be added to the participants documents.

Our partners may also wish to sponsor the events arranged in the framework of the social program.
